# Infinity® Touch Control Carrier

turn to the experts

### It's About Your Comfort

The Carrier® Infinity® Touch Control represents years of design, development and testing with one goal in mind – making you more comfortable. We have taken the lead in creating new technologies that deliver the comfort and efficiency you deserve while staying ahead of industry trends and global initiatives

The Infinity Touch Control, when comfort. Greenspeed intelligence combined with a Carrier Infinity constantly matches the heating or furnace or Infinity fan cooling demands of the reenspeed coil and the Infinity home. This translates INTELLIGENCE heat pump featuring into reduced energy Greenspeed™ intelligence, use and reduced temperature gives homeowners high-precision swings throughout the home.

All year long, humidity affects the temperature at which you feel most comfortable. That's why Carrier you Ideal Humidity System® technology plays such an important role in your comfort. When you combine the Infinity Touch Control, a Carrier humidifier, Infinity variable-speed summer furnace or fan coil and an Infinity air

conditioner or heat pump, Ideal
Humidity System technology gives
you enhanced control over
humidity levels for greater
comfort even when your
system isn't calling for
heating or cooling.† You'll feel
cooler at higher temperatures in the
summer and warmer at lower
temperatures in the winter.

The Carrier HYBRID HEAT® dual fuel system delivers peace of mind to homeowners concerned about the unpredictable nature of utility costs.

furnace with an electric heat pump and compatible control to provide comfort, economy and

This system pairs a gas

dual fuel system will automatically switch between electric and gas heating as needed to keep your home comfortable all winter long while of to optimizing the efficiencies of

each fuel source.

<sup>†</sup> Ideal Humidity System technology continually monitors indoor humidity, indoor temperature and outdoor temperature, and has the ability to turn on your comfort system just for dehumidification in the cooling season or humidification in the heating season.

#### **Added Touches**

You don't lead an industry for more than 100 years by accident. Carrier has maintained its position and reputation through diligent, uncompromising attention to detail. The Infinity Touch Control adds flair and functionality beyond touch-screen technology to our most energy-efficient Infinity systems.

You can't control the weather outside, but you can access the latest, fiveday weather forecast for your area. Weather information is targeted according to zip code.\*

Transform your Infinity Touch Control into a photo frame by uploading a photo, then surround it with other photo frames to let it blend in seamlessly into your living space.

Awaken the control with just a touch to reveal the control pad.

\*When connected to a Wi-Fi network

Three included faceplates – silver, black and white – allow you to change the color of the Infinity Touch Control to best match your home interior and your personal preference.

## Carrier® Systems for Unmatched Performance in Every Season

Willis Carrier's meticulous attention to quality and detail led to a major culture shift in the way we live indoors. More than a century later, Carrier Corporation operates with a unique willingness to develop new technology, the confidence to revise proven designs and the ability to deliver results with every new installation.

Part of that equation is our nationwide network of experts you can turn to for all of your indoor comfort needs. Your local Carrier dealer is well equipped to evaluate your home – everything from size, window placement, ductwork, venting and other structural specifics – and create a customized system designed around your lifestyle. So when it's time to make a choice for your family's comfort, make the best decision you'll ever make – Carrier – and let the experts do the rest.

#### The Total Indoor Comfort System

Infinity® Air Conditioner provides reliable, high-efficiency cooling for long-lasting comfort and energy savings.

Infinity Gas Furnace provides reliable, highefficiency heating for long-lasting comfort and energy savings.

Evaporator Coil is matched with the proper outdoor unit to provide top cooling efficiency and years of reliable service.

Infinity Air Purifier improves air quality by capturing and killing airborne bacteria and viruses and other irritating airborne pollutants in your home.

Ventilator combines fresh outdoor air with conditioned indoor air for improved air quality and maximum efficiency – great for today's tightly constructed home.

**Humidifier** replenishes moisture to dry air.

Zoning sets different temperatures for up to eight different areas of your home for truly customized comfort and enhanced utility savings.

UV Lamp inhibits the growth of contaminants on the indoor coil, leaving your home with cleaner, fresher indoor air.

Infinity Touch Control is more than just a thermostat. It's your interface to the Infinity system that allows you to control temperature, humidity, air quality, fan speed and ventilation.
